

## **WELCOME BREASTFEEDING & BREAST PUMPING MOTHERS!**

You have chosen the very best for your baby by breastfeeding!  
We would like to make sure we are providing a comfortable environment for you to pump or breastfeed your baby and have provided the following:

- ✍ Quiet areas to pump –
  - ? Quiet room at clinic, office # 113, room #7
  - ? Key to clinic room is available at Human Resources room # 102. (Please use the sign out log located at their counter.)
  - ? Wee Care, office # 105B – (See Christy or Kathy if room # 7 occupied)
- ✍ 2 Medela Electric Breast Pumps (located in rooms above)
- ✍ Refrigerator to store your breast milk (in clinic quiet room)
- ✍ Certified Lactation Consultants/Educators available for free counseling and assistance
- ✍ Pamphlets and materials on breastfeeding (Please help yourself to the handouts or ask for any other materials)
- ✍ Clean disposable pillowcases are under bed in quiet room.
- ✍ Clorox wipes for pump and table clean ups
- ✍ Door hanger, white board, and door lock can be used to indicate pumping room is in use. (White board can also be used to communicate between yourselves about pumping time frames.)
- ✍ Loan library of books, videos, baby weigh scale
- ✍ Assistance with any prenatal and postpartum lactation assistance. This could include information on birthing plan

to knowing what pumps to purchase. Please ask us, we would love to help you!
